MASTERS IN THE *Artistry* OF ROOF TILE

Green Home

HOME

OF DISTINCTION

BY GREENSPIRE PROPERTIES

DESIGNED BY

MANDY BROWN ARCHITECTS PC

Vande Hey Raleigh has partnered with Greenspire Properties and Mandy Brown Architect PC to bring the Chicago area a nationally recognized [Home of Distinction](#). This Home of Distinction is constructed by Greenspire Properties and designed by Mandy Brown Architects PC with 100% of the proceeds benefiting the Ronald McDonald House Charities of Chicagoland.

With 5,200 total sq. feet this 5 bedroom, 5 baths, classic colonial home offers exquisite masonry and stone veneer construction, nine foot ceilings and “uniquely green” features. As Winnetka’s first LEED* registered home, it has passed the criteria that sets the “green” standard.

On this particular project, Vande Hey Raleigh and Greenspire Properties decided to use a custom sequence to include 75% Vermont gray - with a black antique highlight, blended with 25% black tile. This luxury, LEED* registered, green home will showcase the latest building products and design trends.

Please join us May 13th- May 30th 2010, Thursdays - Saturdays from 10am - 5pm and Sundays from Noon - 5pm to see this one of kind luxury home.

For the past three decades we have been redefining the way roofs are viewed. This year, we invite you to see what "redefining" actually means. Come see for yourself, we think you will be pleasantly surprised.

We look forward to seeing you in Winnetka Il.
